# HEBREW HIGH FALL 2011

## **WHAT MAKES A GOOD TEACHER? with Irene Swedroe**

How can I be a good madrich(a)? This class is a training and information seminar for those Hebrew High students who have been asked to be regular religious school aides or shadows (aides for the learning needs students). The class will focus on establishing learning behavior, classroom management strategies and confidentiality contracts between the classroom teacher and the aide/shadow. The class will cover the following topics: What is the meaning of madrichim? What are the tools needed to be a good madrich(a)? There will be sessions that cover disability awareness and simulation exercises. Discussions on how to tutor Hebrew one-on-one, designing your own lesson and sharing of experiences with each other will also be part of this class. Class will meet at 6 p.m. All new madrichim are required to take this course. Second and third year madrichim must only come to class the last Tuesday of the month. All grades welcome.

## **CORE CLASSES:**

### **8th Grade: HOT TOPICS with Irene Swedroe**

An examination and discussion class of current topics in social, religious, and individual life from a Jewish perspective. This class will include explorations of drinking and drugs; bullying; cheating and dishonesty; body piercing and tattooing; dating; and, why God lets bad things happen.

### **9th Grade: MEDIA MIDRASH with Rabbi Philip Ohriner**

Midrash is one way we as Jews understand the Torah. It fills in spaces left in the biblical text, adds rich new layers of meaning, and elaborates on confusing or obscure details, providing us with a rich tradition of interpretation. Throughout the year, we will gain an understanding of how midrash functions by utilizing traditional Jewish sources in tandem with movies, art, drama, and other media. At the end of the course, we will take the time to create our own midrashim.

### **10th Grade: KOSHER SEX AND MORE...**

with Dr. Susan Greenberg Englander, Dr. Jeff Englander and Monique Alexander  
This class will have two areas of focus. The first will explore what Judaism has to say about the "who, what, where, when, and why" of sexuality. We will discuss a variety of topics such as sexual attraction, sex within marriage, non-marital sex, sexually transmitted diseases, sexual behaviors, and Jewish views on body image. The second will look at what Judaism has to say about healthy relationships. We will look at the components of friendships, dating relationships and family relationships and learn about the dynamics of both healthy and abusive relationships. During certain lessons the class will be divided according to gender.

### **11th Grade: OUR ISRAEL with Elliot Fine**

This course will introduce students to Israel as it exists today. By looking at Israeli music, history, news media, politics, films, literature, and technology we will explore Israel's culture and current events. Students will have the opportunity to meet first-hand young Israelis living in the Bay Area and discuss the role Israel plays in our lives and how we can relate to Israel as a modern society. In the spring you will learn tools and skills so you can properly advocate for Israel on college campuses to help prepare you for university life.

# HEBREW HIGH FALL 2011

## **12th Grade:**

### **LIVING A JEWISH LIFE AS AN ADULT with Rabbi Pressman**

All 12th graders are asked to take this course. Students and Rabbi Pressman explore and discuss the big ideas of Judaism: G-d, prayer, ethics and the meaning of life. This class will help you prepare for issues and challenges you will be faced with after high school.

## **ELECTIVES:**

## attendance policy

2011 • 5772

Our Hebrew High School is concerned for the welfare of your teen and his/her classmates. If students leave the synagogue during school hours and we don't know where they are or with whom they are driving, we cannot guarantee their safety. Therefore, we are once again asking you to review the following guidelines with your teen. Please make sure that you both sign this form.

1. Students are required to remain on the Beth David grounds from 7:00 PM to 9:00 PM and to be in class each hour. Because this is such an important issue, the Education Committee has a longstanding policy whereby "students who cut class will be counseled with their parents once; if it happens a second time, they will be asked to leave the school without a refund of fees." This policy is for the protection of the children.
2. Students are required to attend their core class first hour. Students can select an elective class for second hour. If a student wishes to change an elective class, this is easily accomplished within the first two class sessions of school by speaking with the principal or admin assistant. We are happy to change a teens elective based on availability of space in the class.
3. Students are expected to respect the building and grounds of Congregation Beth David. Anyone found to have deliberately caused damage, will be asked to pay the full cost of repair.

**Please speak with your teen about the need for these guidelines, and then sign below, along with your teen.**

My teen(s) and I have discussed the attendance and behavior policies for Hebrew High and the safety reasons for adhering to them. I understand that if for any reason s/he will need to miss one of the two classes on any given evening, I will call the school office beforehand.
