

Honeygrams Fundraiser

For Youth & Family Education

Donation Deadline: September 30

For delivery by Rosh Hashanah, order deadline is August 30

Honeygrams raise needed funds for our youth and family programming whether online or in-person. It is especially important in this time of social distancing that we continue to provide our youth and families with opportunities to engage with each other and our tradition.

Honeygrams are a sweet way to help us provide **all** our synagogue youth and their families with impactful Jewish learning experiences.

Please support Congregation Beth David's youth during this year's Honeygrams fundraiser.

Please support with your donation by September 30
